

**Atlantic Sands Hotel & Conference Center
Rehoboth Beach, DE**

Registration Fee: \$299 per person

The **FDIC Directors' College** is an interactive program that provides ongoing education on current topics of bank supervision to **bank directors, senior officers, corporate secretaries, and board advisors**. The course is designed to help directors and trustees, both new and experienced, stay abreast of the ever-changing regulatory environment.

Sessions

Emerging Technology

This module will cover the challenges and operational risks associated with emerging banking technologies. Some of the latest technology trends, threats/risks, and related risk management practices will be discussed. Additionally, the session will provide a brief overview of the FDIC's new Information Technology Risk Examination Program (InTREx) and emerging regulatory IT guidance.

Strategic Planning – A Cornerstone of Sound Corporate Governance

Managing the tradeoff between risk and return is a key factor in determining a bank's long-term success. This session will provide regulatory perspectives on strategic planning and the role it plays in navigating the ever-changing and challenging banking environment. In addition, other corporate governance elements and third-party risk oversight will be discussed.
