First State Trust Company ("FSTC") has been providing trust, custody, and administrative services for individuals, families, and institutions for more than 38 years. Formerly known as Citi Institutional Trust Company, our core business model is building strategic partnerships with Financial Advisors across the country, where we provide high-touch service supported by industry leading software – so that the advisor can concentrate on providing investment advice. Our solution is a partnership between the client, the client's financial advisors, and our trust administration services team.

Backed by the strength of our affiliate, Fi-Tek, LLC, and their industry leading trust accounting platform, TrustPortal, FSTC has the technology, resources, and investment commitment to ensure our clients receive superior services at a competitive price.
