The Future of Delaware Business Starts With Access to Capital

Member & Community Conversation & Happy Hour Centered on Business Lending in Delaware

Thursday, August 27
5:00 PM – 7:00 PM

Constitution Yards
303 Justison St, Wilmington, DE

Why This Matters

Business ownership is one of the strongest paths to building wealth, second only to home ownership. This conversation is about keeping that path open for Delaware's small businesses and the people who fund them.

Featured Sponsors

Sponsored by three unique intermediaries in the lending space:

Pursuit is a mission-driven, community lender, offering up to **\$500,000** in affordable financing for working capital, inventory, equipment, and more.

Connecting banks and CDFIs to lending opportunities for nonprofits, with deposits as a byproduct.

Shaped by banks and state bank associations, allowing banks to originate, participate, and refer lending opportunities while retaining the customer relationship.

Each sponsor facilitates capital access across the spectrum of funders and borrowers, with banks and their customers at the center and community development as the valued output.

Come learn, connect, and share your perspective over drinks with community partners.
